Kevindstylist.com

Kevin first received his Cosmetology license in San Francisco in 1978 and continually stays current with the latest trends in cutting and color both in the classroom and over the internet. The years add up to a wealth of experience.

He equally excels in both cut and color and has perfected the art of Brazilian Keratin smoothing treatments. Styling with Kevin is also available for weddings, photo shoots and runway work.

Personable, humorous and comfortable to be with, Kevin guarantees one on one appointments that are never double booked or overlap. It will be all about you.
