Layne Smith

Custom Color and Cuts to compliment your feature and lifestyle.

858-354-5407

Layne's main focus is to customize a look specific for each individual. By analyzing facial bone structure she will design a style to complement and balance your features and lifestyle.

Layne has mastered precision and texture hair cutting utilizing scissor and razor techniques for all types of women's and men's hair. Your hair will be customized to make your style easy to work with and allow you to replicate your new professional look at home.

As an advocate of natural products, Layne uses hair color products that are free of Undesirable Ingredients like PPD's and Ammonia, and contain more natural ingredients like Argan Oil and Phytokeratin. She uses creative color techniques to blend and enhance your natural color using dimensional hi and low lites, and various on and off scalp color methods to complement your skin tone.
